

Clearing Criminal Clutter Act

Preamble

Whereas; ; voice chat disruption isn't a crime anymore but is still listed in the schedules,
Whereas; ; some schedule changes are appropriatex

§1. All mentions of Voice Chat Disruption shall be removed from Second and Third Schedule of the Criminal Code 2020.

§2. The last point of the Second Schedule of the Criminal Code 2020 shall be amended to add the crime of Advertising external locations forbidden to the list of exceptions of Crimes Against the State.

§3. The crime of Advertising external locations forbidden shall be added to the Third Schedule of the Criminal Code 2020.

§4. The crime of AI Mimicry shall be added to the First Schedule of the Criminal Code 2020.

Explanatory notes: this bill removes mentions of the repealed crime voice chat disruption, makes advertising external locations ticketable and makes AI mimicry non-ticketable.
